EXTENDED!

CALL FOR ABSTRACTS

Now due September 29

We invite investigators to submit abstracts for posters and presentations. Abstracts may address preclinical, clinical and health services research.

Up to five abstracts will be selected for oral presentation.

This is a great opportunity for investigators to discuss their research one-on-one with our expert judging panel.

Visit www.masseyconference.com for abstract guidelines.

- [Kyle Gunnerson, MD](#) - Associate Professor of Emergency Medicine & Director of Emergency Critical Care Center (EC3)
- [Hasan Alam, MD](#) - Professor of Surgery & Section Head of General Surgery

The Massey Regional TBI Conference

The Massey Regional TBI Conference will explore the diagnosis, monitoring and treatment of traumatic brain injury through lectures, a poster session and scientific presentations from funded [Massey TBI Grand Challenge teams](#).

Together with the [Massey Foundation](#), we aim to improve the outcomes of those who suffer severe TBIs by supporting technology development, and translational and clinical research that impacts the “golden hours” of care.

Visit www.masseyconference.com for the agenda, to register and more.

~ Lunch and refreshments provided ~
